

# BCHS XC Track & Field Booster Club Membership

Bethlehem running teams are well under way, and the **Booster Club** would like to encourage parents to get involved, cheer runners on at a meet, and help make the season a successful one!

## Join the Booster Club:

If possible, please join the 2011-2012 Booster Club. Dues start at \$25 per family per school year and members receive a discount on the cost of the cross-country, indoor track & field, and outdoor track & field awards banquets. **Higher sponsor levels, fully tax deductible as a 501(c)(3) charitable contribution, are strongly encouraged as a family or business contribution** to help cover costs of team transportation, meet entry fees, equipment, awards, and technical coaches. In 2011-2012, these expenses will total between \$15,000-\$20,000 and are entirely paid for by membership donations and fundraising. **So please join**, by sending this form with your check made payable to "BCHS XC Track & Field Booster Club" to:

Lisa Gifford  
44 Silver Creek Drive  
Selkirk, NY 12158

## Volunteer:

Please consider helping the Booster Club by serving as an officer, fundraiser, meet reporter, meet photographer, or banquet committee person. If interested in helping, please complete the bottom of this form and return to Lisa Gifford.

## Help us Stay in Touch:

In addition to growing our Booster Club membership base and list of volunteers, we would also like to make sure we have the most current contact information for our athlete's parents. In general, **XC Track & Field Team messages are posted at <http://bethlehemruns.org>**, however there are times when last minute schedule changes could be emailed out. **Please consider providing your contact phone and email address below when you return this form.** A complete parent email distribution listing will better ensure that future communications reach their intended parties in a more efficient and timely fashion.
