

# BC Cross Country / Track and Field Booster Club

## Help Support Our BC Cross Country Athletes!

Another fun and exciting season of cross country is under way, and we – the BC Cross Country/Track and Field Booster Club – encourage parents to get involved to help make the season a successful one. Besides the very important job of supporting your own children, there are a number of other ways parents can help and have some fun, as well.

### 1. Volunteer for Meets

This season, we need volunteer help for the boys and girls home meet scheduled for **Tuesday, September 21**. Start time for the meet is 4 PM. Please let Seth Denning know if you can help. (David.Denning@ge.com)

### 2. Other Volunteer Opportunities

Please consider helping the Booster Club by serving as a Booster Club Officer, Webmaster, Photographer, or Banquet Committee. Please let Seth Denning (David.Denning@ge.com) know if you can help with any of these tasks.

### 3. Join the Booster Club

The Bethlehem Central Cross Country/Track and Field Booster Club brings parents together to help with meets and to help raise money for items not included in the normal school athletics budget. Support raised by the club has helped purchase a new timing clock, team tents and stop watches, and covered other expenses such as end-of-season awards, entry fees for national meets, and the hosting fees for our Booster Club website, where we post meet schedules, directions to meets, contact information and pictures. Bookmark it today!

<http://www.bethlehemruns.org>

Booster Club dues are currently \$25 per family per school year. Members receive a discount on the cost of the cross country, indoor track & field, and outdoor track & field awards banquets. To join, please send this form with your dues to:

Gina Luke  
23 Dowers Way  
Delmar, NY 12054

- The check should be made out to “BC XC Track and Field Booster Club”.
